#### CITY AND COUNTY OFFICIAL PAPER

A story comes from the East that a man whose eyes hadbeen burned out by seid has had them restored through christian science. As an exchange says the miracle about this is that the man who first told the parn did not drop dead when he did it.

Twenty-thousand cowboys from the weet could end the war in the Phil ippines in short order. The cowboys might not have much red tape and would not need General Otis to tell them how to advance. The only order the cowboys would need would be an order to find the Filipinos .- El Paso Times.

An exchange says: Phoenix takes the prize for furnishing more recruits for the 34th regiment than any other town, but shen it should be remembered that the people of that city. Yuma and Tucson may consider Manila a summer resort. The climate of the Philippines can have no terrors for anybody who lives in Arizons.
